[NOTICE] Activity Restriction during Ramadan 1441/2020

Thank you always for your kind support and understanding.

Concerning Japan's nationwide state of emergency declaration over the growing spread of COVID-19, Tokyo Camii will not hold Iftar gathering and Tarawih Prayer. Your understanding and cooperation are highly appreciated. Our opening hours are as follows:

- Prayer Hall is open until Isha prayer.
- The Halal Market is open from 10 am to 7 pm.
- The Culture Center is open from 10 am to 5 pm.

We are now preparing for the resumption of our classes and courses as online lectures. We will announce the details later.

Prayers and concerns are with you all during this hard time.
Best Regards.
